

September 2015

Allied Axiom Chemical (Pvt) Ltd is one of the famous company of food flavors and tablet coating manufacturer in Pakistan. In a very short span at time AACPL has made considerable progress which leads to become an ISO, HACCP, & HALAL Certified organization, recently a great milestone “ GMP ” is achieved in its quality portfolio.

What is GMP ?

Good manufacturing practice guidelines provide guidance for manufacturing testing, and quality assurance in order to ensure that a food or drug product is safe for human consumption. Many countries have legislated that food, pharmaceutical and medical device manufactures follow GMP procedure and create their own GMP guidelines that correspond with their legislation.
